EDUCATION

Tsinghua University

Beijing, China

Ph.D. Candidate, Public Administration, School of Public Policy & Management
Expected 2026.12

2021.09 –

- **Advisor:** Prof. Yixin Dai (Director, Institute of Politics and Public Policy; Deputy Director, China S&T Policy Research Center, Tsinghua University)
- **Dissertation:** Communication Mechanisms and Conflict Resolution in Collaborative Governance
- **Summary:** This research identifies and resolves conflicts in collaborative governance by integrating multimodal big-data analysis and behavioral experiments to detect the types, intensity, and dynamics of conflict, and proposes empirically grounded resolution strategies.
- **Honors:** National Scholarship; Tsinghua University Comprehensive Excellence Scholarship

Beijing Normal University

Beijing, China

B.A. in Public Affairs Management, School of Government

2017.09 – 2021.06

RESEARCH INTERESTS

- Policy design, policy evaluation, and the policy process
- Behavioral public management and experimental methods
- Government communication, public attitudes, and policy feedback
- Collaborative governance and cross-sector policy coordination

CONFERENCE PRESENTATIONS

INTERNATIONAL CONFERENCES

- 1. **2026 ASPA Annual Conference**, Hollywood, USA.
Paper: “Anti-Corruption, Trust, and Compliance in Public Health Crises: Cross-Country Evidence”
- 2. **2026 IRSPM Conference**, Perth, Australia.
Paper: “Decentralising Government Reputation: Central Signals, Local Differentiation, and Peer Network Effects”
- 3. **2025 PMRC**, Seoul, Korea; **2025 ICCPS**, Beijing, China.
Paper: “Not All Ties Are Equal: Actor- and Type-Specific Social Capital in Coproduction”
- 4. **2024 PMRC**, Seattle, USA.
Paper: “In the Shadow of Memory: Experimental Insights into Government Reputation in the Covid-19 Age”
- 5. **2024 ICCPS**, Beijing, China. (**Best Paper Award**)
Paper: “Aligning Behavioral Assumptions Underlying Policy Instruments: A Principle for Designing Policy Mixes Targeting Behavioral Change”
- 6. **2023 AP-PPN Conference**, Hong Kong, China.
Paper: “Public Risk Perception during the COVID-19 Pandemic: A Meta-analysis of Antecedents and Behavioral Consequences”
- 7. **2022 AAPA Annual Conference**, Shanghai, China.
Paper 1: “Matching Behavioral Assumptions Behind Policy Tools: Evidence from a Survey Experiment in China”
Paper 2: “The Effect of Memory on Government Reputation Evaluation: Evidence from Experiment in the Era of COVID-19”
- 8. **2021 APPAM Fall Research Conference**, Online. (**Panel Organizer**)
Paper: “Influencing Public Awareness: Policy Design by Tool Selection, Framing, and Narratives”
- 9. **2020 IPMN Conference**, Online.
Paper: “Serving Different People with Different Dishes: The Effects of Social Constructions of Target Population on Policy Narrative Strategies”
- 10. **2019 AP-PPN Conference**.
Paper: “Does Policy Familiarity Breed Public Service Motivation? The Influence of Policies on the PSM of ‘Future Public Service Providers’”

DOMESTIC (CHINA) CONFERENCES

1. **2025 11th Chinese Public Management Academic Conference**, Dalian;
2025 13th Chinese Public Management Scholars Workshop, Nanning.
Paper: "The Role of Emotional Memory in Shaping Government Reputation"
2. **2023 Chinese Public Management Academic Conference**, Shanghai.
Paper: "A Meta-analysis of Antecedents and Consequences of Public Risk Perception: The Case of the COVID-19 Pandemic"
3. **2021 5th Young Scholars Forum**, *Journal of Public Administration Review*, Online. (**Best Paper Award**)
Paper: "A Policy Feedback Explanation of Government Procurement of Facial Recognition Technology: A Comparative Case Study of Hangzhou and San Francisco"
4. **2019 Chinese Public Management Academic Conference & 5th Public Management Young Scholars Forum**, Wuhan.
Paper: "Narrative Strategies and Logics of Public Communication in Nuclear Power Plant Siting: A Dual-Case Comparative Study"

RESEARCH PROJECTS

- **National Natural Science Foundation of China (NSFC): Strategic Adjustment and Policy Innovation of China's International S&T Cooperation in a Changing Global Landscape**
Participant — reviewed China's international S&T cooperation strategies; assisted in organizing expert workshops; contributed to policy comparative analysis reports.
- **Cyrus Tang Foundation: Research on Best Practice Frameworks for Water Quality Improvement in China and the U.S.**
Participant — reviewed water governance policy evolution in China and the U.S.; assisted in organizing expert workshops; co-authored comparative policy analysis reports.
- **NSFC: Behavioral Effects and Design Optimization of Policy Mixes under Complex Motivational Embeddedness**
Participant — designed and implemented behavioral experiments; constructed policy mix models based on complex motivation theory; wrote empirical analysis reports.
- **Tsinghua–Toyota Joint Research Institute Chunfeng Fund: Modeling and Simulation of Complex Agent Decision-making and Behavioral Guidance in Social Media Networks during Major Emergencies**
Participant — crawled and cleaned social media data; built agent-based models (ABM) to simulate public panic propagation; authored the "behavioral guidance strategies" chapter in the final report.
- **NSFC: Public Participation and Policy Feedback Mechanisms from a Behavioral Public Policy Perspective: The Case of Major Project Siting Policy**
Participant — conducted case studies on NIMBY effects in major project siting; collected public participation data and modeled policy feedback mechanisms.

POLICY ADVISORY & THINK-TANK OUTPUTS

- **Ministry of Ecology and Environment, National High-End Think Tank Key Project: "Further Leveraging Institutional Advantages to Enhance Nuclear Safety Governance Effectiveness"** 2022
 - Findings formally adopted by the research team to optimize the national nuclear safety public communication mechanism.
 - Recognized by expert reviewers as having "**significant reference value**"; applied in nuclear power project siting communication and social risk governance practice.

TEACHING EXPERIENCE

School of Public Policy & Management, Tsinghua University	Teaching Assistant
• Frontiers in Risk Management Theory and Practice	Spring 2026
• History of Public Administration Thought	Fall 2025
• Advanced Academic Writing and Publication	Spring 2025
• Hong Kong Politics and the Basic Law	Spring 2024
• Public Administration in Hong Kong	Spring 2024
• Public Policy Analysis (English, IMPA core)	Fall 2023
• Urban Development and Management	Spring 2023
• Regional Development in Ethnic Minority Areas	Spring 2023
• History of Public Administration Thought	Fall 2022

HONORS & AWARDS

• ASPA-SCPA Best Student Paper Award	2026
• National Scholarship	2025
• ICCPS Best Paper Award	2024
• Tsinghua University Comprehensive Excellence Scholarship (Second)	2024
• Tsinghua University Comprehensive Excellence Scholarship (First)	2022
• Best Paper Award, 5th Young Scholars Forum, <i>Journal of Public Administration Review</i>	2021
• Beijing Normal University First-Class Scholarship	2019
• Beijing Normal University Third-Class Scholarship	2018

ACADEMIC SERVICE & PROFESSIONAL AFFILIATIONS

- **Journal reviewer.** *Cities; Governance; Policy Studies Journal; Public Administration; Public Management Review; Information Polity; Journal of Public Administration Review* [公共管理评论].
- **Editorial role.** Editorial Assistant, *Public Administration*, 2024–present.
- **Professional memberships.** American Society for Public Administration (ASPA); International Research Society for Public Management (IRSPM).
